

SKU

16 oz. PS Foam Cup VT16XN

Description

Reyma's large 16-ounce Foam Cup is manufactured from food-grade polystyrene, a lightweight yet durable single-use solution. Designed for thermal insulation of hot and cold drinks, its non-slip grip feature makes it comfortable to hold regardless of the drink temperature.

Master Box includes twenty-five individual packages, each with 20 pieces.

Affordable option for high-volume use in food establishments and institutional environments.
