Aluking's 14" Aluminum Foil Roll 295 sq. ft.

ALKMOD400XN

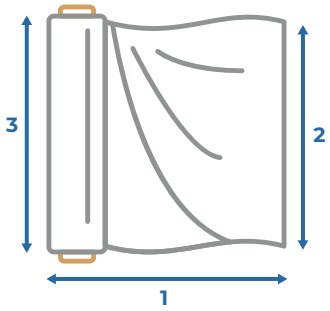

295 SQ. FT. 98.42 YDS x 14 IN

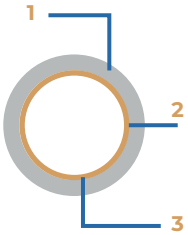

Description

Created with premium grade aluminum, this version has a 20-microns thickness that will provide trusted durability and superior tear resistance. Designed to be a reliable choice in a professional kitchen, everyday domestic use and the industrial sector where heavy-duty performance is required. Its barrier properties effectively block moisture, air and light ensuring reliable preservation.

Case includes four individual packages.
