

SKU

6” x 6” Hamburger Compostable Container

# CNCP6X6XN

## Description

Manufactured from molded plant-fiber, Reyma’s hinged-lid container is designed to accommodate standard burger dimensions, such as 4-5 inches. The material is grease-resistant and suitable for hot or cold applications. It features an integrated hinge with snap-lock mechanism to guarantee a secure seal that’ll prevent leakage.

·Case includes sixteen individual packages, each with 25 pieces.

·Trusted among foodservice providers, institutional environments and supermarkets.
