SKU

7" x 7" 3-Compartment PS Foam Hinged Container

HC773

Description

Small container manufactured with a lightweight, three-compartment design and closed-cell composition ideal for thermal insulation, keeping menu items from mixing and their temperature safe during short-term storage and transport. It features an integrated hinge with a snap-lock mechanism ensuring secure sealing that will prevent leakage.

·Case includes two individual packages of 100 pieces.

·Suitable for take-out and delivery packaging, institutional cafeterias and quick-service restaurants.

Composition

MATERIAL
Polystyrene (PS)
