SKU

9.5” x 6” PS Clear Plastic Container

RB-140

Description

Created with quality food-grade materials, our durable and lightweight hinged clamshell container is designed with secure interlocking closure. Its reinforced ridges and texture base add strength and grip needed in foodservice environments. Easy to open and reseal, featuring a clear design that showcases menu items, making it ideal for retail display and takeaway use.

- Case includes 250 pieces.
- Recommended for foodservice providers, take-outs, supermarkets.
